Before, I could only watch him from a distance, thinking he was perfect and hard to approach...
Now that I've come in contact with him, I've found... He's really a good person. But, why is there a trace of...

Is it my imagination? Or did the wall just disappear?
Floor 13
The 13th floor...
It... It appeared!

The legend says you can't turn back if you go to the 13th floor!
This building has more than 12 floors?
Let's go up and check it out!
You can't go!
The legends are true! I found a list of missing people in the junk in this room!
You don't wont to know what there is in that place?
Well... I am a little curious...

I really have no backbone...
One glance from a handsome guy...
And I mindlessly follow after...
Is anyone there?

What was that about?
Nothing!
Am I seeing wrong? Did the colour of the door change?
It turned red?
It's...
It... It looks different inside!
...a monster?

Lady!
There are evil people peeping on your slave bathing!
Don't be afraid, male prostitute! Your woman has come!
Your slave's too ashamed to appear before people now.
Hiding in the wardrobe to peep at a man of a good family bathing! For this crime you should die ten thousand times over!
Your brazen lewd people!
I shall kill you with my ax!
